

Guideline for Preparing Presentation at ICPECE 2023

What Should the Presenter Prepare and Do?

1. Presenters have to make a presentation video. Please include the following items in your PPT as follows: *Title, Background, Method, Results and Discussion, and Conclusion.*

(Penyaji harus membuat video presentasi. Harap sertakan item berikut dalam PPT Anda, yaitu: Judul, Latar Belakang, Metode, Hasil dan Diskusi, dan Kesimpulan.)

2. The video should be uploaded to <https://www.youtube.com/> and insert the link to your account at <https://icpece.upi.edu/form>

(Video harus diunggah ke <https://www.youtube.com/> dan sertaka tautan ke akun anda di laman <https://icpece.upi.edu/form>)

3. Presenters have to give a label of **scope** in the right corner of the video, i.e **Language and Literacy**. The video presentation should follow these rules:

(Penyaji harus memberi label “scope” di pojok kanan video, seperti “Bahasa dan Literasi”. Penyajian video harus mengikuti aturan berikut:)

Information (informasi)				
Duration (Durasi)	Features (Fitur)	Video Format (Format Video)	Size (Ukuran video)	Max. Slide (Maks. Slide)
5 – 10 minutes (5 – 10 menit)	Power Point Presentation and the voice of presenter with show of face. <i>(Presentasi Power Point dilengkapi suara penyaji dengan menampilkan wajah penyaji.)</i>	.mp4	Less than 40 MB <i>(Kurang dari 40 MD)</i>	8

4. The link video presentation will be listed in the BoA (Book of Abstract). All of the presenters can see the video through the link.

(Tautan penyajian video akan dicantumkan di BoA (Buku Abstrak). Semua penyaji dapat melihat videonya melalui link tersebut.).

5. Presenters on November 2nd, 2023, will not show pre-collected presentation videos; instead, they will have five minutes to explicitly describe their study. The moderator will then extend an invitation to other presenters to ask questions.

(Presenter pada tanggal 2 November 2023, tidak akan menayangkan video presentasi yang telah dikumpulkan sebelumnya; sebaliknya, mereka memiliki waktu lima menit untuk menjelaskan studi mereka secara eksplisit. Moderator kemudian akan menyampaikan undangan kepada presenter lain untuk mengajukan pertanyaan.)
